Communities of Strength: National Senior Center Month

September is National Senior Center Month and this year we have reason to celebrate! After Heritage Hall was closed for 16 months, it reopened to the public in July. The staff is excited to have clients back in the halls, clients are happy to reconnect and spend time socializing, and everyone is celebrating the relationships that senior centers make possible. The National Council on Aging (NCOA) sponsors National Senior Center Month because of the important role they play.

Senior centers are where engagement and innovation take place for older adults in their communities daily. They are vibrant sources of physical and social wellbeing and are essential services for older adults. We are happy to have you back at Heritage Hall.

Board meets at NOON on the THIRD MONDAY of each month.
Hello! I wanted to take the time to welcome you as I have not had the opportunity to meet most of you in-person yet. After recently taking over as Executive Director, I am excited we have reopened the doors of Heritage Hall and all of our services are back to 100% operation. Our in-home services and virtual activities never stopped, but I realize the building being closed for 16 months was extremely difficult for all those we serve, as well as our staff. To have Heritage Hall open to the public once again has brought a fresh wave of excitement to LCAP; however, if you have not had an opportunity to step through the doors yet, here are a couple things you can expect to encounter after our 16 months of quiet hallways:

- **Expect slow and steady.** Although things are getting back to normal, we are cautiously planning activities and intentionally keeping events small. Please be patient as we limit attendance on some events and progress towards the capacity you were used to before. It is not to limit the fun, but to be responsible for your health and that of our staff.

- **Security has improved – for your benefit and ours.** Since our building is so large, we were finding it difficult to know how many people were in the building at one time and feeling comfortable with the staff being safe. To help with this, a security system was installed so that employees use fobs to access various entrances. This means all clients and members of the public will utilize the main entrance. Please check in with Cheryl, our receptionist, and utilize your key card to sign in when you arrive. This will allow us to know how many people are in the building should there be an emergency. The process is simple and your information is kept private in a secured database.

- **Some faces have changed but our mission is the same.** You will see some new faces in the building and some faces that have changed places. Every employer has had a difficult time hiring this past year and LCAP is no exception. As we continue to fill positions, you might find a different face somewhere than you remember. If you are looking for something or asking a question that an employee does not know, please be sympathetic, kind, and give them grace. That person might be filling in for someone else or new to their role.

I assure you LCAP’s mission remains the same – “to improve the quality of life for Licking County senior citizens by contributing to their independence and healthy lifestyles.” All our staff strive to respond to each individual as a whole person with unique needs. Whether it’s in-home support, a meal, medical transport, or simply a place to belong, LCAP helps each senior find a way to stay healthier and live with dignity while growing older. Please never hesitate to reach out to me with questions or concerns.

Serving you,

Melissa

Melissa Owens, Executive Director
About LCAP

Did You Know?

September 2021 marks 49 years in operation for Licking County Aging Program (LCAP) and, as we gear up to celebrate our 50th anniversary next year, we think it is important to review our history with our clients and supporters. Staff receive a lot of questions about our organization and how it operates. Make sure you read each edition of the Heritage Times as we share our story with you over the next year.

The Beginning

With the help of United Way, LCAP was incorporated September 22, 1972 as a 501(c)(3) private not-for-profit agency to serve the senior citizens of Licking County.

The original location of the agency was in the basement of the Plymouth United Church of Christ where lunch was prepared and served one day each week by senior citizens. In 1973, the offices were moved to the city-owned Doneff Building on South Second Street and the agency applied for and received Older Americans Act Title III funding to operate a senior center.

In 1975, the agency contracted for Title III Older Americans Act funds to operate a Nutrition Program, and to purchase two Checker sedans to support transportation services for Nutrition Program participants.

In December, 1976, the agency was suddenly forced to move from the Doneff Building due to a gas leak. By January of 1977, offices were moved to the First Presbyterian Church where the church kitchen was used to prepare meals for the homebound. In the spring of 1977, the agency moved to the lower level of the Children’s Home, which was a county-owned facility.

In 1978 the Agency initiated grants to renovate and add a kitchen, dining room, and offices to the Children’s Home gymnasium building next door which became Zerger Hall Multi-Purpose Senior Center. In January, 1979, the Licking County Aging Program, Inc. moved into Zerger Hall. LCAP would stay in that same location until 2012 with the purchase, renovation, and move to Heritage Hall at 1058 East Main Street.
What Does 501(c)(3) Mean?

People tend to think that Licking County Aging Program is part of Licking County Government, but LCAP is actually a 501(c)(3), which is a nonprofit organization that has been recognized by the IRS as being tax-exempt by virtue of its charitable programs. Legally this means we are not organized or operated for the benefit of private interests and that the organization is restricted in how much political and legislative activities are conducted.

LCAP receives state and federal funds through the Older Americans Act (Title III) as well as PASSPORT, and receives local funds through the Senior Levy, which is approved by the Licking County Commissioners. All of these funds are applied for each year and require extensive audits to ensure the money is being utilized properly. As a non-profit, LCAP also receives grants and contributions/donations from the public. Contrary to the sound of its title, being a non-profit organization does not mean there is never a profit left at the end of the year; however, it does mean that any money left over at the end of the year is put back into the organization.

As a 501(c)(3) non-profit, LCAP is overseen by a 20-member volunteer board of directors. They ensure the organization is running smoothly and votes on new policies and procedures. We are so appreciative of the time and energy that our board devotes to helping LCAP run well.

Do You Know Our Board of Directors?

The board of directors for LCAP is responsible for setting the strategic direction of LCAP, Inc. and is made up of individuals that represent a variety of organizations and communities in Licking County. The board, in conjunction with the LCAP, Inc. executive staff, will define the directions, programs, services and outreach efforts of the agency. Board members are responsible for assuring that the agency is fiscally sound and operated within policies and procedures that are sound, prudent and ethical. Board members serve a three year term with a maximum of three consecutive terms. The following community members serve on the LCAP board:

- **Tony Adams**
  - President

- **Olivia Biggs**
  - Vice-President

- **Erin Kelly**
  - Secretary

- **Kelly Wilson**
  - Treasurer

- **Candy Wade**
  - Past President

- **Dr. Craig Cairns**
  - Erin Curtis
  - Todd Dodderer

- **Brad Feightner, Jr.**
  - Rusty Foley
  - Connie Hogue

- **David Martin**
  - Dana Moore
  - Lacie Priest

- **Tom Scofo**
  - Rob Springer
  - Bethany Stickradt

- **Bart Weiler**
  - David Wigginton
  - Jane Woodland
Heritage Hall Events

**Congregate Dining Site Information**

Congregate sites are for older adults who would like to fellowship with others and share a meal. We currently have 3 locations open and plan to reopen our other locations once our staff is ready. The main congregate site at Heritage Hall will be open so make plans to join us in the Dining Room! Meals are for those 60 and older residing in Licking County with a suggested donation of $3. Meal reservations or cancellations must be made by 4:00 PM the business day prior.

- **Heritage Hall Dining Room**, 1058 East Main Street in Newark
- **Sharyn Glyn**, 914 Sharon Valley Road in Newark
- **The Harbor Community Center**, 5312 Walnut Rd in Buckeye Lake

For more information regarding our congregate sites, please contact Jess Mitchell at (740) 345-0821 ext. 229.

**Help Us With Our Congregate Sites**

We are looking for several congregate hosts to manage our sites throughout the week. If you live in Buckeye Lake, Pataskala, Utica, or Johnstown and would be interested in having a very part-time job, please submit your application at [www.lcap.org/careers](http://www.lcap.org/careers) or come into our office to apply. Position would work remotely at site and could expect to work 10-15 hours/week helping distribute meals and coordinate activities for those attending. Join our team!

Ohio Senior Farmers’ Market Nutrition Program Distribution

LCAP distributed 300 produce boxes in July, in partnership with LifeCare Alliance. LifeCare administers the SFMNP on behalf of the Central Ohio Area Agency on Aging (COAAA). This program is funded by the USDA, with additional support from the Franklin County Office on Aging and Central Ohio Area Agency on Aging. Individuals who submitted applications and were approved received a $50 box with fresh peaches, sweet corn, honey and much more. If you are interested in receiving a box/voucher next year, please watch our newsletters in 2022 for more information, as this opportunity takes place once a year.

Thank you to the staff and volunteers who helped distribute these boxes to many grateful recipients.
**Home-Delivered Meals**
Hot, nutritious meals are delivered Monday – Friday to qualifying seniors throughout Licking County. Each delivery is more than a meal – it is also a daily well-being check and a friendly smile.

**Transportation**
Professional and courteous drivers are available to transport you throughout Licking County and bordering counties. We can take you to non-emergency medical appointments, hospitals, doctors’ offices, vision appointment and pharmacies.

**Chores**
Let our Chore staff assist you with tasks around your home! We would be happy to help rake and bag leaves, clean windows or gutters, clean your carpets, or help with some inside chores.

**Home Services**
We have personal care and homemaking services available to those who are in need and eligible. Our homemakers can assist with light housekeeping and meal preparation, while our personal care aides are able to provide showers and baths and respite service for caregivers.

**Social Services**
Our Social Workers have access to valuable resources to provide assistance. Topic areas include information and referral, assisted living facilities, nursing homes, Medicaid, Medicare, notary services, emergency funding programs and the completion of applications. They work directly with clients and their families to provide support, direction and guidance.

**Smilemakers**
Our staff makes friendly calls to seniors Monday – Friday. Each call serves as a well-being check, relieves the feeling of isolation, and provides information about valuable resources.

**Center for Visual Improvement**
No matter your age, our vision staff are here to help those who cannot afford basic eye care, visit an eye care provider in Licking County. We also offer low vision aids for individuals who need help independently navigating their world beyond their prescribed glasses. Just give us a call at (740) 345-0821, ext. 244 and we’ll get you scheduled.
Changing Lives: A LCAP Collaboration

The Center for Visual Improvement (CVI) had the privilege of meeting a client who sought our services after losing her sight completely. Charlene Thomas was a successful, single woman who worked hard every day and considered herself very independent. One day on her way to work, she unexpectedly went blind and her life changed in an instant. Charlene had to quit her job and suddenly even the simple task of navigating her apartment became extremely difficult. Knowing the time of day, retrieving voice messages from her phone, and paying bills became seeming impossible challenges. It became clear to Charlene that she would need help.

Charlene called LCAP and was connected to CVI and Social Services, asking for assistance with a low vision aid. With a collaboration between our departments, we were able to provide Charlene with a simple resource to make everyday tasks easier. Charlene received an Amazon Echo Dot. This device responds to your voice and can make phone calls, play music, turn lights on and off, set reminders, and answer questions that Charlene might have.

After realizing all of the benefits, Charlene was excited to incorporate this device into her new life. She now looks forward to finding all the many uses this device offers as she starts her new journey with her disability. To learn more about the Echo Dot or other resources that can make life a little easier with a visual disability, call CVI. We look forward to helping you or your loved one with all of your visual needs.

Adult Day Center

Our Adult Day Center, located on the east end of Heritage Hall, provides a safe, nurturing, and socially supportive environment for adults 21 years and older in need of assistance or for caregiver respite services. Our center’s nurse, aides, and activity coordinator provide each participant with a nutritious meal, afternoon snack, group exercise, crafts, and various social activities.

To schedule a tour of our facility and learn more about the wonderful things happening at Heritage Hall Adult Day Center, contact Andrea Dietrich, LPN at (740) 345-0821 ext. 249 or via email at adietrich@lcap.org.
Medicare's Open Enrollment

Medicare beneficiaries typically receive next year’s proposed insurance coverage changes around the month of September. Please review these changes and determine if your current insurance coverage will meet your needs in 2022, especially with your prescription coverage.

You can make changes each year during Medicare’s Open Enrollment Period that runs from October 15 to December 7. Any changes to your insurance coverage will be effective January 1, 2022.

LCAP and the Ohio Department of Insurance (OSHIIP) will once again partner to provide an opportunity for Medicare beneficiaries to meet with an OSHIIP representative to help determine if any insurance coverage changes are necessary for 2022.

You may schedule an appointment between 9:30 AM – 3:00 PM for one of the following dates:

- **Thursday, October 28th** at Heritage Hall, 1058 East Main Street, Newark
- **Tuesday, November 30th** at the West Licking Family YMCA, 355 West Broad Street, Pataskala

It is important to bring your Medicare card, all insurance cards (including prescription coverage, if applicable), and a current pharmacy print out of all your prescription drugs (must include the name of the prescription drug, the dosage and how many times per day you take the medication) with you to your appointment.

Turning 65? Medicare for Beginners

Happy Birthday to those of you preparing to celebrate your 65th birthday! This special date means it is time for you to learn about Medicare and the options that are available to you.

Medicare for Beginners sessions will once again be offered so you can learn what Medicare covers and why it is so important that you choose the health insurance coverage that meets your specific health care needs. By the end of the session, you will be able to decide if you plan to enroll in a Medigap (Supplemental) insurance, a Part D prescription plan or a HMO/PPO (Advantage) plan.

Sessions have been scheduled on the following dates from 6:00 PM–7:00 PM:

- **Thursday, September 16th** at Heritage Hall, 1058 East Main Street, Newark
- **Thursday, October 21st** at the West Licking Family YMCA, 355 West Broad Street, Pataskala
- **Thursday, November 18th** at Heritage Hall, 1058 East Main Street, Newark

Reservations are required for all sessions/appointments and can be made by calling (740) 345-0821. To learn more about Medicare visit [www.lcap.org](http://www.lcap.org) and view one of our videos in the Video Gallery or visit the Ohio Department of Insurance’s OSHIIP (Ohio Senior Health Insurance Information Program) site at [www.insurance.ohio.gov](http://www.insurance.ohio.gov).

Virtual counseling sessions are available through the OSHIIP program and can be scheduled at [www.ohiomedicarecounseling.as.me](http://www.ohiomedicarecounseling.as.me). For general questions and inquiries call (800) 686-1578 and a trained OSHIIP staff member can assist you.
Thank you!

Thank you to Echo-Norvell Hearing Aid Service for their generous $1,000 donation to LCAP this summer. The donation was made possible because the family of a beloved client, Elaine, donated her hearing aids to Echo-Norvell after her passing. They used the proceeds to honor her memory. The donation benefited LCAP’s emergency fund, which is used to help clients with unexpected needs, such as hearing aids, auto repair, and utility assistance. We are grateful to the generosity of Elaine, her family, and Echo-Norvell.

If you would like to make a donation to LCAP, you can always specify which service you would like it to benefit or make your gift a memorial/honorarium of an individual. Please make a note with your gift so we can designate it accordingly. Your donation can be dropped off or mailed to LCAP. Thank you for helping to continue our mission!

Summer Memorials:

In Memory of...

- Teresa Ebert by Roberta Penwell
- Frank Austin and Bruce Hissong by Northside Church of Christ
- Patricia Nigg by Marilyn Dresser
- Mary Wus by Ann Jones
- Shirley Norris and Paul Mummey by Betty Garee and Family

AARP Tax-Aide Seeking Volunteers

We are looking for individuals to join our Licking County AARP Tax-Aide team. We are currently in need of:

- Tax counselors with computer skills who prepare income taxes and answer questions,
- Client facilitators who meet and greet clients and take appointments,
- Assistant Technology Coordinator who manages computer equipment and provides technical assistance to volunteers.
- Leaders and local coordinators who help to manage one of three local sites.

Anyone interested in volunteering to help the AARP Tax-Aide program may call Jim Holton at (740) 345-8861.

We hope you enjoy the Heritage Times. The Licking County Aging Program does not endorse any advertiser in the publication, however, we encourage you to support the advertisers who make this publication possible.
